

Lee Fields and The Expressions

Apologies to the late, great James Brown, but you'd be hard pressed to find another singer who's worked as hard as Fields, a man who's been making soul and funk anthems since 1969. Fields has toured the world with musical legends like Kool and the Gang, O.V. Wright and Little Royal. Recorded with French house DJ/producer Martin Solveig. And somehow found a newer, younger audience as he becomes more prolific as the years roll by.
